King of Arizona

Where did Kofa get its name? Why are the athletic teams called the "Kings"?

Kofa was a large mining camp northeast of Yuma with a population of 750 persons. The King of Arizona was the best gold producer Yuma County ever had. More than four million dollars in the metal was dug from the shaft in the S.H. Mountains between 1897 and 1910. The camp and the High School are both named as abbreviations for King of Arizona. "K of A" appeared on the mail bags for the mine and it began to be pronounced Kofa.

The Kofa High Jazz Band spends some time at Lutes Casino at the Main Street Mall in old downtown Yuma. Lutes Casino was built in 1901 and is now a historic landmark.

Schools in Yuma have changed over the years. Photo of Yuma school on Statehood Day, Feb. 14, 1912. People dressed like three of our staff — Bridget, Ronda and Hector, posing in the backyard of the Century House with antique outfits; courtesy of Arizona Historical Society.

Kofa has grown also; a new gym, Media Center and Cafeteria most recently. Some around campus scenes here include Administration Building, Lecture Hall, gym, the Royallaires performing in the new cafeteria at Open House, and the Breezeway to the Media Center in the background.

GO BIG RED!

"The 1983 season started out on a very positive note with the Kings exciting 24-21 victory over Brawley. Unfortunately for the Kings the victories were too spread out over the remainder of the season. At times, the Kings played as well as anyone in the state, but a few critical breakdowns cost them some wins along the way. This team was a fine glory of young men who "hung in there" all the way.

J.V. & VARSITY

VARSITY

The 1985-86 Girls Softball Team had an excellent season. The team ended the season with an 18-6 overall record, including one tournament championship, the Skyline Holiday Softball Tournament, which hosted the best teams in the state, even the eventual state champion. The season ended with twelve wins in a row, then a controversial loss at divisionals. All of the players had an exceptional year, but Seniors Kelly and Shelly Whitson and Junior Lisa Munoz received honors as first team members of the all-division team; Junior Kathy Solomon was selected on the second team; and Freshman Laura Perrell and Renee Rosas were designated Honorable Mention. "The team and their accomplishments this year were truly outstanding," quoted Coach Gilmer.

J.V.

We are a young, competitive team if they continue to work at it," quoted Coach Johnson. The overall record was 8-8.

The games were played almost exclusively in double-headers with a few notable exceptions. The schedule was as follows (Kofa scores first):

St. Mary's 12-2	Carl Hayden 12-3
Tempe 7-0	Horizon 10-9
Tempe 12-2	Alhambra 9-4
Yuma 1-6	Alhambra 10-0
Yuma 0-10	Camelback 6-3
Agua Fria 6-4	Camelback 10-0
Agua Fria 8-1	Gerard 20-2
Chaparral 1-2	Gerard 10-1
Chaparral 0-2	Central 10-0
Yuma 0-7	Central 10-2
Independence 1-0	Maryvale 1-4
Tolleson 4-3	

"The Kofa Softball Team is doing it's part to keep the winning tradition at Kofa — great girls, great effort" quoted Coach Gilmer.

Although the team size was lacking, these swimmers gave it all they had at every meet, with outstanding performances by Brian Massey, Donna Scharf, and Amy Iwan. Good luck next year Kofa swimmers!

Cross Country

Cross Country

Both Kofa girls and boys cross country teams showed some very impressive determination. Individually and as a team, for the entire season, and especially so against their cross town rival, the Yuma Crims. Being beaten by Yuma by 7 — then 5 — then one point in three respective meets, the Kings showed an amazing amount of determination and beat the Crims by 7 points with Matt Morris winning easily and then going on to qualify for State Finals. In the girls competition Bernadette Watawich, Audrey Motley and newcomer Brenda Johnson continued their intersquad rivalry all season and the final outcome of each meet with the girls team winning the greatest share of their meets and the boys scoring their first Grand Slam against South Mountain, while losing the greatest share of their meets ... Coach Fieler

1) Bernadette racing for the finish. 2) Coach Fieler watching his runners come in. 3) Thay and Bernadette looking at their times. 4) Brenda checking for other runners. 5) Thay and Jill finishing a race. 6) Boys starting a race.

1st Team All Metro:

Hermes Escalante, Alvaro Escalante, Fabian Gonzalez, Gerardo Reyes, Paul Gutierrez, Manny Ahles

1st Team All State:

Hermes Escalante, Fabian Gonzalez

Comments: Kofa again won their divisional championship game and entered the final 8 of the State Tournament. In a hard fought 3-2 loss, Kofa was eliminated for a chance at another State Title. However, Kofa's high scoring attack produced for the 5th consecutive year the leading scorer and assist players in All State selections. Kofa started 3 freshmen this year and should produce another contender next year. The Kofa-Yuma match served a notice that night, soccer can draw a crowd. As this year's match outdrew many football games for attendance.

The varsity wrestlers again had an outstanding season. In carrying on coach Dave Sampson's winning tradition, the team posted a record of 7 wins and a single loss. Although Kofa was idle over Christmas break, the wrestlers went back into action in January entering four tournaments. The results: 2nd at Mesa Eastside, 4th at Winslow Invitational, 1st at Peoria Tournament. Coach Sampson believes in "beating people on their feet." That is why the Kings outscored their opponents 365 to 206 in takedowns this season. The intensity in the Kofa wrestling room was great enough for them to place 2nd in the Metro Division Tournament qualifying six members for State. The State tournament proved to be as tough as ever. The Kings came away with three place finishers. Jr. Roy Moreno was 3rd at 112 lbs., Ryan McBride, also a Jr., was 2nd at 191 lbs., and for the second consecutive season, crowned a state champion. Last year it was Keith Householder, however this time it was a transfer student Mike Stivers from Virginia. Stivers, a senior, won the AAA Division I championship at 148 lbs. Kofa ended up in 5th place at the State Tournament. Although this was much better than last year's 16th place, coach Sampson believes the team can and will do better.

This years Marching Kingsmen consisted of fifty-five outstanding Kofa High students. Besides playing at all of the home football games and an away game vs. Maryvale, they performed in the Coronado High School Band invitational, Canyon Del Oro Band Spectacular, and the State Marching Festival. Later this year, the kingsmen will be taking a trip to San Francisco to attend the "World of Music" festival. Kofa should be proud of their "Marching Kingsmen" because they do not always get the credit they deserve.

Superfans is an organization designed to pep up Kofans. This is the first year for Superfans to become an organization. The club mainly goes to the games and cheers on Kofa. They also go to the out-of-town games and cheer for our great Kofa High. They go to the games by rooter buses, which are designed to take students to the away games without taking a lot of cars. Each individual pays for the trip themselves. The club also gets together and goes out for pizza after the games.

LETTER EXCHANGE YEARBOOK EXCHANGE

In September, Mrs. McNiel and Mrs. Ochs ESL classes began a letter exchange with Spanish classes at Elkhart Central High School in Indiana. Both groups of students, through this project, had the opportunity to learn more about a new language, make new friends and share cultures. Classes at Kofa exchanged pictures of the school and themselves with their pen pals and sent a video tape of their class and a copy of the last years LaCorona.

Reading Resource Program which is being implemented here in Yuma this year. At Apopka High School the principals exchanged yearbooks with their advisor and yearbook editor.

Team members were Leanne McDonald, Pat Poels, Chris Kalabus, Paul Burkhardt, Karl Hoff, Robyn Stanley, Greg Watowich, Raynie Kidd, Steffen Wagner. As a team, Kofa took first place in almost all areas except Home Economics. Win-

ning the most points, and coming in first place overall just above Casa Grande and Apache Junction, Kofa's team continues with finer attention to detail in certain areas in order to prepare them for State Competition.

La Corona started the 85-86 school year with Kevin Ovall as Editor-n-Chief. He got us organized and started us working. In October Kevin had to move to Washington, leaving us without an Editor-n-Chief. We got through the year anyhow and we'd like to say thanks to Kevin for getting us off to a good start.
